Hein in Ireland for every day I re-and more when my to leave England his property. commiss.

I and licertily I are the water and more without the long, and comming had and watch return; when looking uneasy

great alarm.

"My husband—is be here?" [gasped.

"No; he has just loft—not more than
an minutes ago I think but what has
sappened?"

"Too late! too late "I cried. "They
save killed him! Ot, Liane!! Lione!!"
They tried to stop me, but I broke
way. There might be time yet, if
ode hard and fast. My horse might die
n the attempt—what mattered it? It
vas life or death now, and away again,
bandering down the aranne I went,
liesedless of uries and entreaties to come
beek. leadless of cress and antresties to come back.

Stopping one moment to listen, I heard for abead the rumbling sound of wheels; it seemed to endow me with new life and strength to keep up, to struggle on a little longer, but poor Biffeman was almost come for. He still labored on, answering whin and rain to the last.

come for. He skill labored on, answering whip and rein to the last.

Jathering up aki my energies for a last effort, I urged Riffaman oues more to a garlop, and, sweeping round a corner, aw, with a wild gleam of joy and hupe, my husband's dog-cart slowly ascending a bag, steep hill, right in !ront, the foot of which on the other side was the got would get rid sigh. It soug, steep hill, right in ront, the foot of which on the other side was the spot where the marderers were in waiting.

Listed Reservant of ground was of value now, and an analysis of the first steep of the first was conscious only of a great and terrible darkness rising and hiding my hushand from my sight; struggling on blindly with onestrete ned hands I stag-

blindly with onterrote and hands I stag-gened a few steps, and then with a last with wail of "Loosel-Lione I" fell-semeless upon the early, my last desire being to save him. Was my effort all in waio?

If had been a very marrow escape after al. Lienet had just resolved the top of the coag hilf when he heard my cry, and driving hastily back, had found me, to his great astonishment, lying insensible, and stiffeman standing seride me.

Presently Col. Arbuthnot, who had fullowed in hot hasts, had come up, and thay had carried me nto the cottage, won cring greatly what it means. And I told my story. won ering greatly when took my story, in all Had I been a minute later, in all took and the story in the stor

I left the room. Ching pestiar quicky

I put on my habit and stepped out.

It was a clear, bright right, with most ing a limpling frow the medical pestiage and save in the path of teacher begins and save in the left of the path of teacher begins and save in the path of teacher begins and save in the left of the path of

for what if I were sheady too late? The mon was nearly high in the heavens, and I knew the hour was rapidly approaching. It was a ride for life, and on we rode with fearful rapidity.

What if Lionel were on his way almostly? Oh, for the strength to keep up a little longer! The entrance gates at Col. Arbuthnot's stood wide open, and with courage in my-neart I galloped up the colonel himself, who nurried out in great alarm.

"My husband—is be here?" — gasned.

special specia

res, and the one who insists on his own way.

"Percy came by his domineerist spirit honestly," Miss Garland thanks, as she walks slowly and sadly on her disagreeable errand.

But Percy has reached home in advance, and the squire is not in the most secondating of moods when she is an nounced.

"Keep my boy out of school No, indeed! We hired pout to the same ware content. If a man make as the same ware content. If a man make as the same ware content. If a man make as the same ware content. If a man make as the same ware content.

ance, and the aquire is not in the most accomodating of moods when she is a boundary of sources of success, wo many grudge beauty the least. They may deny it is beauty, but if they admit it is measured by the seach or the sake of th

real in the eyes, and excisions, in jeth outsity:

"I suppose you are satisfied pw: beamfift is gereral. You have won. Will the knowledge of my defeat make you any happier, at it the thought of the little sirter and widowed mother, who have only this extremiling her receipt—"between them and vanimake your sleep sounder and sweeter?" And she is goose. while a gire

Cooking as a Fine Art.

It cannot be denied that good cooking is an important element in home life and hap piness. Many people think that while a girl must go to selbod for year

Where He Galned

which I opened my eyes again I found any self in a cottage, in the bright glare of a fire, with a crowd of eager and fright.

eneed sympathiners around, and Lionel bending, white and annious, over me. It was enough to know that he was safe—to in offing tightly to him and feel his strong, protecting arms around me—and weak, it was abd exhausted as I was I fainted again.

The stress and exhausted as I was I fainted again.

I have acted like a coward—but I c in't the uldest by two months; only I paver was poor. I don't see what can be lone now."

The stress and deeply, a sulcen and he poor and deeply, a sulcen and he come and he come. make your sleep sounder and sweet?" hard she is gone.

With a shame-faced, langing end, Percy remains beside the open gate a moment, quite motionless; this is fift forest view from his first class of get time for the said that accomplish a knowledge of their own maters for this and that accomplish the second in the task of get in maters for this and that accomplish the mater showledge of cooking after she has a knowledge of cooking after she has a knowledge of cooking after she has a limitable. I once myseff had a dreadful time, it trying to prepare a dimer in the time, it trying to prepare a dimer in the mistake. I once myseff had a dreadful time, it trying to prepare a dimer in the would have given up Lat n, Greek and French that day to have known when the potators were done, and to have discovered how to get the peas and beans out light, firm hand, an accurate eva, and a patient temper. One needs a light, firm hand, an accurate eva, and a patient temper. One needs a light, firm hand, an accurate eva, and a patient temper. One needs a patient temper. One had for the work, she was a still firm, and says:

"He the nother raises her sad eyes at instant, and says:
